GOVERNMENT OF MEGHALAYA  
LAW (B) DEPARTMENT  
ORDERS BY THE GOVERNOR

### NOTIFICATION

The 4<sup>th</sup> January, 2011.

**No.LL(B).138/2010/41.**—The Mahatma Gandhi University Act, 2010 (Act No. 6 of 2011) is hereby published for general information.

### MEGHALAYA ACT NO. 6 OF 2011

*(As passed by the Meghalaya Legislative Assembly)*

*Received the assent of the Governor on 30<sup>th</sup> December, 2010.*

*Published in the Gazette of Meghalaya Extra-Ordinary issue dated 4<sup>th</sup> January, 2011.*

### MAHATMA GANDHI UNIVERSITY ACT, 2010

An

Act

to establish and incorporate a University in the State, with emphasis on providing high quality and industry relevant education in the areas of Engineering, Physical Sciences, Life Sciences, Technology, Medical Science and Paramedical, Management, Technical, Finance & Accounting, Commerce, Humanities, Languages & Communication. Applied and Performing Arts, Education, Law, Social Science and related areas sponsored by Layman Education Society through regular and distance education mode and to provide for matters connected therewith or incidental thereto.

Be it enacted by the Legislature of the State of Meghalaya in the Sixty-first Year of the Republic of India as follows:

S. D. D. D.  
13/12/24  
REGISTRAR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 783101

## CHAPTER 1 PRELIMINARY

### Short title and commencement.

(1) This Act may be called Mahatma Gandhi University Act, 2010.

(2) It shall come into force on such date as the State Government may, by notification appoint.

### Definitions.

1. In this Act, unless the context otherwise indicates:

- (i) "Academic Council" means the Academic Council of the University;
- (ii) "Act" means the Mahatma Gandhi University Act, 2010;
- (iii) "AICTE" means the All India Council for Technical Education established under Section 3 of the All India Council for Technical Education Act, 1987;
- (iv) "Annual Report" means the annual report of the university as prepared in Section 44 of the Act;
- (v) "BCI" means the Bar Council of India;
- (vi) "Board of Governors" means the board of governors of the University as referred to in section 20 of the Act;
- (vii) "Board of Management" means the Board of Management of the University constituted in Section 21 of the Act;
- (viii) "Layman Educational Society" means Layman Educational Society, a society registered under the "Societies Act". It bears a registration number of S. 36104 dated 2<sup>nd</sup> December 1999;
- (ix) "Chancellor" means Chancellor of the University appointed under Section 13 of the Act;
- (x) "Constituent College" means a college or an Institution established and maintained by the university;
- (xi) "DCI" means the Dental Council of India;
- (xii) "DEC" means the Distance Education Council;
- (xiii) "Development Fund" means the Development Fund of the University established under Section 42 of the Act;
- (xiv) "Distance Education System" means the system of imparting education through all mode of education such as Information Technology, Communication and other media such as Multimedia, Broadcasting, Telecasting, Online over internet, portal, other interactive methods, email, internet, computer, interactive talk-back, e-learning, correspondence course, seminar, contact programme or a combination of any two or more of such means, through any mode of technology assisted learning for academics, research and training in any

REGISTRAR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 783101

- (d) creation, abolition or restructuring of departments and faculties;
- (e) the manner of co-operation with Universities or institutions of higher learning;
- (f) the procedure for conferment of honorary degrees;
- (g) provisions regarding grant of freeships and scholarships;
- (h) number of seats in different courses of studies and the procedure of admission of the students to such courses;
- (i) the fee chargeable from the students for various courses of studies;
- (j) institution of fellowships, scholarships, studentships, freeships, medals and prizes;
- (k) procedure for creation and abolition of posts; and
- (l) other matters which may be prescribed.

**Statutes how made.**

27. (1) The first Statutes framed by the board of governors shall be submitted to the State Government for its approval, which may, within three months from the date of receipt of the Statutes give its approval with or without modifications.

(2) Where the State government fails to take any decision with respect to the approval of the Statutes within the period specified under sub-section (1) it shall be deemed to have been approved by the State Government.

**Powers to amend the Statutes.**

28. (1) The Statutes as stated in the Act may be amended or new Statutes may be added by the Board of Management which needs to be approved by the Board of Governors.

(2) The Board of Governors shall submit the new and amended Statutes to the State Government for its approval, which may, within three months from the date of receipt of the Statutes give its approval with or without modifications.

(3) Where the State Government fails to take any decision with respect to the approval of the Statutes within the period specified under sub-section (1), it shall be deemed to have been approved by the State Government.

**Rules.**

29. Subject to the provisions to this Act, the Rules may provide for all or any of the following matters, namely, -

- (a) admission of students to the University and their enrollment and continuance as such;
- (b) the courses of study to be laid down for all degrees, diplomas, certificates and other academic distinctions of the University;
- (c) the award of degrees, diplomas, certificates and other academic distinctions of the University;

consultancy work undertaken by the University in Pursuance of the Provisions of this Act, and the Statutes made thereunder;

- (k) the payment of any other expenses including a management fee payable to any organization charged with the responsibility of managing the University on behalf of the Sponsoring Body, as approved by the Board of Management to be an expense for the purpose of the University:

Provided that no expenditure shall be incurred by the University in excess of the limits for the total recurring expenditure and the total non-recurring expenditure for the year as may be fixed by the Board of Management without the previous approval of the Board of Management:

Provided further that the General fund shall be applied for the object specified under sub-section (2) with the prior approval of the Board of Management of the University.

**Development Fund.**

42. The University shall also establish a Development Fund to which the following funds shall be credited, namely,-

- (a) development fees which may be charged from students;
- (b) all sums received from any other source for the purpose of the development of the University;
- (c) all contributions made by the Sponsor;
- (d) all contributions/ donations made in this behalf by any other person or body which are not prohibited by any law for the time being in force; and
- (e) all incomes received from the Endowment Fund.

**Maintenance of Fund.**

43. The fund established under Section 40, 41 and 42 shall, subject to general supervision and control of the Board of Governors, be regulated and maintained in such manner as may be prescribed by the Statutes.

**Annual Report.**

44. (1) The Annual Report of the University shall be prepared under the direction of the Board of Management and shall be submitted to the Board of Governors for its approval.

(2) The Board of Governors shall consider the Annual Report in its meeting and may approve the same with or without modification;

(3) A copy of Annual Report duly approved by the Board of Governors shall be sent to visitor and the State Government on or before December 31 following close of the financial year in March 31 each year.

**Account and Audit.**

45. (1) The Annual Accounts and Balance Sheet of the University shall be prepared under the direction of the Board of Management and all

**MAHATMA GANDHI UNIVERSITY (AMENDMENT) ACT, 2019**

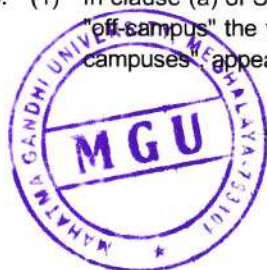

**An**

**Act**

to amend the Mahatma Gandhi University Act, 2010 (Act No. 6 of 2011).

Be it enacted by the Legislature of the State of Meghalaya in the Seventieth Year of the Republic of India as follows:-

- Short title and commencement.** 1. (1) This Act may be called Mahatma Gandhi University (Amendment) Act, 2019.
- (2) It shall come into force from the date of notification in the official Gazette.
- Amendment of Section 2.** 2. (1) In the existing clause (xxiv) of Section 2 of the principal Act, the word "or outside" appearing therein shall be omitted and for the word "compliment" the word "complement" shall be substituted.
- (2) The existing clause (xxvi) of Section 2 of the Principal Act shall be deleted.
- Amendment of Section 4.** 3. (1) In sub-section (3) of Section 4 the words "India or abroad" appearing therein shall be substituted by the words "the State of Meghalaya".
- (2) After the existing sub-section (4) of Section 4, the following provisos shall be inserted, namely-
- "Provided that the approval of the competent Statutory council should first be obtained;
- Provided further that the University shall produce all necessary proof that such courses have been conducted especially in the online mode as may be required by any authority authorized by the Government for the purpose;
- Provided that the University shall not conduct in the online or distance mode any course which it does not offer through the regular face to face mode with a full complement of facilities, faculty and staff."
- (3) After the existing sub-section (5) of Section 4, the following proviso shall be inserted, namely-
- "Provided that the University shall produce all necessary proof that such examinations have been conducted especially in the online mode as may be required by any authority authorized by the Government for the purpose."
- Amendment of Section 6.** 4. (1) In clause (b) of Section 6 the words, "off-shore campuses" shall be omitted and for the words "India and abroad" the word "Meghalaya" shall be substituted.
- (2) In clause (c) and (m) of Section 6 the words "in India & Abroad" and the words "in India and Abroad" appearing therein shall be omitted.
- Amendment of Section 7.** 5. (1) In clause (a) of Section 7 in between the word "campuses" and the words "off-campus" the word "and" shall be inserted and the words, "and off-shore campuses" appearing therein shall be omitted.

*S. D. D. D.*

## 5.2 ANNEXURE-U

### Stages of Curriculum Revision

#### 1. Establishing Curriculum Principles and Vision

In revising the curriculum, it is essential to base the approach on principles that reflect the values, needs, and strategic vision of the University. Our curriculum principles shall embody our institutional values of inclusivity, innovation, academic excellence, and responsiveness to the evolving demands of the education sector and workforce. Establishing a shared vision is a collaborative endeavour; hence, consultation with all stakeholders—including faculty members, Board of Studies (BoS), Academic Council (AC), alumni, and relevant governmental bodies—is vital. This foundational stage ensures that the curriculum revision process is guided by a clear, unified vision that upholds the University's mission and optimally supports the educational journey of our students.

#### 2. Entitlement and Enrichment

Following the establishment of curriculum principles, the University's curriculum should outline a comprehensive 'student entitlement.' This entitlement encompasses not only the academic curriculum but also enrichment activities that provide students with broader learning experiences. The aim is to ensure that students benefit from a well-rounded education that includes exposure to educational visits, extracurricular activities, and industry-aligned engagements. These enrichment elements should be systematically mapped across all years and programs, creating a scaffolded progression of opportunities that broaden each student's academic and personal growth. Tied to our curriculum principles, this framework enhances the student experience, fostering holistic development and readiness for societal contribution.

#### 3. Breadth and Balance in Curriculum Content

Curriculum breadth and balance are integral to delivering a comprehensive educational experience that meets academic standards while remaining relevant and engaging for students. The curriculum must include a diverse range of subjects and carefully selected topics within each area, reflecting the University's commitment to interdisciplinary

S. Dixit  
13/12/24

REGISTRAR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 793101

learning. Subject areas should be interlinked, ensuring that students can draw connections between different fields of knowledge. A sequenced approach to skills and knowledge acquisition enables cumulative learning, where each program builds on prior knowledge. This structure will allow students to master complex concepts progressively and systematically, ensuring a robust academic foundation.

#### **4. Sequential Skills and Knowledge Framework**

Each subject area within the curriculum should be underpinned by a sequenced framework that advances students' knowledge and skills in a coherent and progressive manner. This structured framework should break down the University's educational goals into achievable, measurable steps. Through strategic planning, the curriculum can guide students from foundational to advanced levels of expertise. Such a framework will support sustained academic development, preparing students with the competencies needed for both further study and practical application in their professional lives.

#### **5. High-Quality Resources and Support Materials**

The efficacy of the curriculum depends significantly on the quality of resources that support it. High-quality, accurate, and engaging resources are non-negotiable in ensuring that students receive a premium educational experience. The University is committed to sourcing or developing top-tier instructional materials and tools that align with our curriculum principles and the demands of each subject. By establishing a comprehensive resource overview at the university level, we can maintain consistency and continuity across departments, minimizing redundancy and ensuring that resources support the progressive complexity of the curriculum content. This approach will enhance instructional quality and, ultimately, student learning outcomes.

#### **6. Continuous Review and Improvement**

Curriculum revision is an ongoing process, requiring periodic assessments to ensure it remains aligned with the evolving educational landscape and student needs. Regular reviews and feedback mechanisms, in collaboration with the BoS and AC, will facilitate timely updates, ensuring relevance and effectiveness. These reviews may reveal the need

MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 793101

for additional faculty training or CPD initiatives, especially for subject leaders, to equip them with up-to-date knowledge and pedagogical expertise. A proactive approach to curriculum assessment underscores the University's commitment to maintaining academic excellence and adapting to the dynamic needs of our stakeholders.

Overall, the stages outlined in this curriculum revision framework serve as a robust foundation to meet the academic, professional, and personal development needs of our students. By adhering to these structured steps, the University reinforces its dedication to delivering an exemplary education that prepares students to thrive in a complex, ever-changing world. This comprehensive process, reflecting both the current educational imperatives and future-readiness, invites the active participation and endorsement of all stakeholders, thereby securing our institution's enduring impact on student success and societal contribution.

### **Measures to Ensure Innovation in Courses at Mahatma Gandhi University**

At Mahatma Gandhi University, we are deeply committed to fostering an educational environment that seamlessly integrates innovation into both curriculum design and course delivery. Recognizing the need for a dynamic approach in a rapidly evolving educational landscape, we prioritize a robust, interdisciplinary curriculum that remains attuned to industry advancements, societal demands, and global sustainability goals. To uphold this vision, we have established structured, collaborative mechanisms across our academic and research bodies, ensuring that our curriculum not only adapts to changes but leads them.

A cornerstone of our innovation framework is the continuous benchmarking process, which enables us to systematically evaluate our courses against national and international standards. This benchmarking approach encourages departments and faculty members to bring forth innovative content and delivery methods that align with best practices globally. To support these efforts, our Research, Innovation, and Development Centre provides vital insights and analytics, guiding faculty and academic planners toward implementing novel academic and pedagogical strategies. This center actively facilitates a knowledge-sharing environment that enriches faculty and students alike, embedding a culture of continuous improvement across all faculties.

Further supporting our commitment to innovative education, Mahatma Gandhi University has recently established the **Centre of Excellence for Sustainable Development Goals (CE-SDG)**. This interdisciplinary center was designed specifically to incorporate the United Nations Sustainable Development Goals (SDGs) into the academic framework, promoting sustainability-focused education that is both relevant and transformative. The CE-SDG will play an instrumental role in guiding course content toward the principles of sustainability, diversity, and global citizenship, ensuring that every academic program contributes to the holistic development of our students and addresses pressing global challenges.

Innovation in course delivery remains a central focus, and to achieve this, we encourage diverse, technology-driven instructional methodologies. Our academic bodies, including the Board of Studies (BoS) and the Academic Council (AC), serve as regulatory platforms where proposed curricular enhancements and new teaching methodologies are critically assessed and

validated. These governing bodies ensure that any modification or addition to the curriculum is scrutinized for academic rigor, alignment with institutional goals, and compliance with educational standards. Through these channels, we safeguard the quality and relevance of our programs while embedding flexibility for creative educational approaches.

Ultimately, our structured yet adaptive approach to curriculum innovation positions Mahatma Gandhi University as a forward-looking institution that prepares students to thrive in a complex, interconnected world. By engaging every layer of our academic framework in this pursuit, we create a collaborative ecosystem where innovative ideas can flourish, all while upholding the standards that define our university's legacy of excellence.

## 5.12 & 5.13 ANNEXURE-K

### **Question Paper Setting and Quality Control Procedures at Mahatma Gandhi University**

At Mahatma Gandhi University, the Board of Examination (BoE) is entrusted with establishing and overseeing a robust system for question paper setting and quality control, aimed at maintaining transparency, integrity, and efficiency across the examination process. Recognizing the importance of academic rigor and fairness, the BoE has developed a system that leverages both faculty expertise and technology to uphold the highest standards. This structure not only ensures that examinations are a reliable measure of student learning but also reinforces the university's commitment to fostering trust among all stakeholders, including students, faculty, and regulatory authorities.

In line with BoE guidelines, the question paper setting process begins with course faculty members preparing and submitting three distinct sets of question papers. These papers are reviewed internally, with additional contributions solicited from external examiners for one in every five courses. This dual approach of internal and selective external input allows for diversity in examination content while keeping the university's reliance on external examiners to a minimum, thus maintaining control over academic integrity. The BoE, in consultation with the Vice-Chancellor and Dean of each department, appoints an examination moderation committee. Comprising two internal faculty members and one external expert, this committee meets one week before the examinations to ensure that the submitted papers comprehensively cover the syllabus and align with the intended learning outcomes.

The moderation committee's primary role is to review and, if necessary, refine the question papers to ensure subject relevance and consistency with the academic objectives established by the BoE. This committee's recommendations are then consolidated into a single, final version of each question paper. Once finalized, a secure, encrypted version of all three sets of question papers is transmitted to the Controller of Examinations (CoE), who plays a key role in safeguarding examination security. The CoE randomly selects one set shortly before the examination begins, a

S. Dixit  
13/12/24

REGISTRAR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 793101

practice designed to prevent unauthorized access and uphold confidentiality throughout the process.

The printing and packaging of the selected question paper sets are handled discreetly by designated units, following strict guidelines set forth by the BoE. This secure handling process ensures that examination materials remain confidential until they are distributed to examinees. Faculty members of the university oversee invigilation, with two faculty members assigned to each room of 40 students, and additional staff provided for larger groups. The BoE mandates that seating arrangements be established in advance to ensure that no two students from the same program are seated next to each other, minimizing the potential for collusion and enhancing the fairness of the examination setting.

Post-examination, the BoE further ensures the integrity of the evaluation process by appointing the paper-setters to evaluate the scripts. To maintain consistency and accuracy, a random sampling of evaluated scripts is moderated by external experts appointed by the Vice-Chancellor, reinforcing objectivity and upholding quality standards. This structured approach allows Mahatma Gandhi University to achieve an evaluation process that is rigorous, reliable, and aligned with the educational mission.

Through these detailed and carefully administered procedures, the BoE safeguards the quality, transparency, and accountability of the examination process at Mahatma Gandhi University. This approach demonstrates the university's commitment to providing a fair, high-quality academic experience that meets the expectations of government officials, accrediting bodies, and all stakeholders.

### PROCEEDINGS OF RECRUITMENT PROCESS AT MAHATMA GANDHI UNIVERSITY, MEGHALAYA

(Ordinance No-II of 2023, Date: 8<sup>th</sup> May, 2023)

#### Introduction

In accordance with the esteemed traditions of Mahatma Gandhi University, Meghalaya, and pursuant to the mandate set forth by the Mahatma Gandhi University Act, 2010 (Act No. 6 of 2011), the university proudly outlines its meticulous and scientific recruitment process. The following proceedings delineate the systematic steps undertaken to ensure the selection of the most qualified individuals who align with the university's commitment to academic excellence.

#### Initiation of the Recruitment Process

The inception of the recruitment process occurs when the Heads of Departments (H.O.D.) diligently report vacant positions within their respective departments to the Office of the Registrar (Admin). The Registrar (Admin), in turn, acts as the pivotal administrative conduit, forwarding these vacancies to the esteemed Board of Management.

#### Board of Management Approval

A crucial juncture in the recruitment saga unfolds during the Board of Management (BoM) Meeting. Here, the Board exercises its authority by granting approval for the filling of the reported vacancies. The judicious decision-making process within the Board ensures alignment with the university's strategic vision.

#### Advertisement and Application Collection

Following the Board's approval, the Registrar (Admin) orchestrates the dissemination of information to potential candidates. An advertisement is strategically released through diverse media channels and prominently displayed on the university's official website ([www.mgu.edu.in](http://www.mgu.edu.in)). This heralds the commencement of the application collection phase, within which applicants submit their credentials for the scrutinization process.

MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 793101

### **Scrutinization and Document Verification**

An intricate process unfolds as the Registrar (Admin) meticulously scrutinizes the received applications as per the norms laid down by the UGC and concerned Council for the respective post. Concurrently, a rigorous document verification protocol is initiated to ensure the authenticity of the candidates' credentials. Only those deemed eligible by this comprehensive process proceed to the subsequent stages.

### **Formation of Selection Committee**

With the imprimatur of the Hon'ble Vice-Chancellor, the Registrar (Admin) assembles a distinguished five-member Selection Committee. This committee comprises the Chairman (a nominee of the Vice-Chancellor), an external subject expert, the H.O.D. of the concerned department, a senior faculty member from the department, and the Registrar.

### **Personal Interviews**

The shortlisted candidates, having successfully navigated the prior stages, are invited for personal interviews at the university. The Selection Committee, functioning under the Chairmanship of the Vice-Chancellor's nominee, engages candidates on the proposed date, evaluating their suitability for the vacant positions.

### **Report Submission and Final Approval**

The Selection Committee dutifully compiles a report on the selected candidates, submitting it to the Hon'ble Vice-Chancellor for the final approval of the appointees. This meticulous process aligns with the provisions outlined in Section 7(g) & 3(g) of Sec. 21 of the Mahatma Gandhi University Act, 2010.

### **Appointment and Joining**

Upon the Hon'ble Vice-Chancellor's approval, successful candidates are formally invited to join Mahatma Gandhi University. The Registrar (Admin) extends the official appointment letters, and candidates, in turn, submit original documents, passport-size photographs, and a detailed joining report. The H.O.D. of the respective department is promptly informed of the new appointments, ensuring seamless integration into the academic fabric of the university.

### KEYWORDS

Nicardipine,  
caprylocaproyl  
polyoxyl-8  
glycerides, S-mix  
heating-cooling  
cycles.

### ABSTRACT:

#### Objective:

The aim of the current research was to investigate the release of Nicardipine, a poorly water-soluble drug from different formulations in vitro.

#### Method:

A Nano emulsion (NE) was prepared using caprylocaproyl polyoxyl-8 glycerides, diethylene glycol monoethyl ether, and propylene glycol monolaurate. For enhancing the viscosity, carbopol was used to form an NE-based gel (NEBG).

#### Results:

The prepared formulations were characterized for physical appearance, droplet size, zeta potential, percentage transmittance, heating-cooling cycles, phase separation, viscosity, drug content, and in vitro drug release using Franz diffusion cells. The mean droplets size for ME and ME-based gel-systems were  $116.2 \pm 0.452$ , and  $185 \pm 2.53$  nm respectively, whereas the zeta potential values were  $-32.3 \pm 0.53$  mV for the former and  $-34.5 \pm 0.26$  mV for the latter. No significant variations in the pH nor physical appearance alterations were observed while stability tests were performed. The release rate of Nicardipine formulated as NE or as NEBG had the highest release values ( $85.35 \pm 5.34\%$ ) and ( $76.25 \pm 5.26\%$ ) after 4h respectively.

#### Conclusion:

This was statistically significant gel had a higher viscosity suitable for topical administration without dripping. The in vitro result suggested that NE systems are powerful topical vehicles for enhanced penetration of Nicardipine.

### 1. Introduction

Nano Emulgel is an innovative drug delivery technique which improves the therapeutic profile of lipophilic medications (1,2). Lipophilic formulations are subject to several disadvantages, such as limited oral bioavailability, variable absorption, and poor solubility. The goal of nano-emulgel, a combined preparation of several systems, is to address these constraints (3). The new technique created by adding Nano-emulsion to gel enhances stability and permits controlled release of medication. The efficacy of nano-emulgel to accomplish targeted distribution, its safety, and its

ease of application, and the fact that it does not undergo first pass metabolism or gastrointestinal degradation have all contributed to its growing attention (4,5). The pharmacokinetics, safety profiles, and formulation elements of nano-emulgel for topical drug delivery are the main this research work. All the ingredients are as per the IP specifications: caprylocaproyl polyoxyl-8 glycerides, diethylene glycol monoethyl ether (6), and propylene glycol monolaurate were procured from Loba Chemicals Ltd Mumbai.

2. Methods

NE and NEBG preparation:

Selecting components of NE and constructing a pseudo-ternary phase diagram: In order to prepare an optimized NE system, it was of great importance to select an appropriate oil, surfactant and co-surfactant combination that had a good solubilizing capacity of drug (7). For the preparation of the NE system in this study, Propylene glycol monolaurate was selected as an oil phase, caprylocaproyl polyoxyl-8 glycerides as a surfactant and diethylene glycol monoethyl ether as a co-surfactant (8). These components were chosen on the basis of a solubility study results. The pseudo ternary phase diagram was constructed to distinguish the NE domains and to detect the possibility of producing MEs with different possible concentrations of oil, surfactant, co-surfactant, and water. The phase diagram was developed at ambient temperature using an aqueous phase titration method. It was prepared at surfactant/co-surfactant ratios (S-mix) of 2:1 (9,10). The oil and S-mix were combined in different weight ratios that varied from 1:9 to 9:1. The systems were stirred by a magnetic stirrer during the addition of the aqueous phase to ensure a thorough mixing. Based on visual observation, the end point of the titration was determined when the mixtures became turbid or cloudy (11). Based on the NE region that determined from the constructed pseudo ternary phase diagram, five formulations contain different proportions of oil, water, and S-mix were mixed in the ratios presented in Table 1. The drug was dissolved directly in the formulations to formulate drug loaded NEs. All NEs were then tested for in vitro drug release. Further investigations were then conducted on the formulation that provided the highest drug release profile. The areas corresponding to either micro emulsions or macro/conventional-emulsions were constructed inside the triangular phase diagram using the Microsoft Excel 2015.

Table 1 Composition of micro emulsions containing 3% Nicardipine with various amounts of S-mix (Caprylocaproyl polyoxyl-8 glycerides/ diethylene glycol monoethyl ether), propylene glycol monolaurate and water

Preparation of drug-loaded NE: NE formulations were formed spontaneously by mixing caprylocaproyl polyoxyl-8 glycerides as a surfactant with diethylene glycol monoethyl ether as co-surfactant at 2:1 ratio. Water and propylene glycol monolaurate were added directly and mixed gently at room temperature. An amount of 3% w/w drug was added to each NE and the formulations were stirred for 5 min at 600-rpm until a clear NE was formed (12).

Preparation of plain carbopol gel base: Carbopol 934P gel base was prepared by dispersing 1.5% (w/w) carbopol into distilled water and mixing it using a magnetic stirrer at 1200 rpm for at least 30 min. The dispersion was left for 24 h to equilibrate. After that, triethanol amine solution was added drop wise in order to get a suitable gel with appropriate viscosity and a pH between 5 and 7(13,14,15).

Preparation of drug-loaded NEBG: In order to enhance the viscosity of the formulated NE, the freshly prepared drug-loaded NE was added portion-wise onto the previously prepared plain carbopol gel in a ratio gel: NE (2:1) under continuous stirring. The final NE-based gel formulation contained 3% w/w drug (Table 2).

**Physicochemical evaluation of the prepared NE and NEBG:** To overcome problems related to metastable and unstable formulations during storage, the physical stability of NE formulations was assessed by the following thermodynamic stability tests.

**Physical appearance:** The prepared NE and NEBG loaded with drug were examined visually for their color, homogeneity, and consistency (16).

**Percentage transmittance:** The optical clarity of the NEs was determined by measuring the percentage transmittance of the formulations using UV-Visible spectrophotometer. The NEs were analyzed at 650 nm against distilled water as a blank solution, and three replicates were performed for each ME (17).

**Centrifugation study:** The NE based formulations were subjected to centrifugations by Microliter Centrifuge at 10,000 rpm with relative centrifugal force (RCF) 8960 g for 30 min at 25 °C and observed for any changes in their homogeneity (17).

**Heating-cooling cycles:** Heating-cooling cycles were performed to evaluate the stability of the formulations under thermal conditions. Both systems were kept at 0 °C for 48 h then at 25 °C for 4 h; each cycle was repeated five times. At the end of the experiment, both formulations were assessed for physical properties including pH, homogeneity, and consistency.

**Determination of drug solubility:** For determining the drug solubility in the prepared NEs, an excess amount of drug was added to 5 g of each of the previously prepared NEs and stored at room temperature for 24 h with a magnetic stirrer. Afterward, the sample was centrifuged, and the concentration of drug in the supernatant was determined spectrophotometrically. A plain NE without drug was taken as a blank (18).

**pH measurements and drug content:** The apparent pH of the tested NEs formulation was examined by a digital pH meter. All measurements were performed in triplicate at 25°C. For determination of drug content,

one gram of each formulation was diluted in 100 mL PBS pH 7.4. Then, the resulting solutions were filtered before subjecting it to spectrophotometric analysis. Plain formulations without drug with the same composition were taken to establish a calibration curve (20).

**Rheological studies:** A Brookfield DV-III Ultra Viscometer was used to measure the viscosity of the prepared Nano emulsions. The spindle number 21 was rotated at 150 rpm using an interval of 30 s. Samples were allowed to settle at room temperature for 10 min before the measurements were conducted. The rheological measurement of the NEBG was performed using a Malvern Rheometer (Kinexus), equipped with parallel plate (22).

**Particle size measurement:** The particle size determination was performed by using Zetasizer Nano-DTS 1060 (Malvern Instruments Ltd, UK) at 25°C and 173° fixed angle. The samples were kept in disposable cuvettes, and observations were performed in triplicate following a proper dilution of the formulations in double distilled water. The polydispersity index (PDI) was used as a quality marker for droplet-size distribution (23).

**Zeta potential determination:** The surface charge of DS loaded NE, and NEBG was determined by the dynamic light scattering method employing a Zetasizer Nano-DTS 1060 (Malvern Instruments Ltd, UK). Analysis time was kept for 60 s. The zeta potential was measured using clear zeta dip cells after dilution of all samples with double distilled water. Cuvettes were washed and then rinsed with samples to be measured before each experiment. The zeta potential values were calculated according to Helmholtz-Smoluchowsky equation. All the results were the average of three measurements (24).

**In vitro drug release studies:** This study was carried out using six Franz diffusion cells with an effective diffusion area of 1.79 cm<sup>2</sup> (15.1 mm diameter orifice) to determine the release rate of drug from the NEs, and the drug loaded NEBG. Synthetic 0.22 µm Polyvinylidene Fluoride (PVDF) membranes were first hydrated in phosphate buffer (pH 7.4) at 25°C for 30 min. The membranes were then clamped between the donor and receptor compartments. The receptor compartments were filled with 12 mL of phosphate buffer (pH 7.4). The receiver medium was maintained at 32.0 ± 0.5 °C using a circulating water bath, the acceptor compartment was magnetically stirred at

S. D. D. 2  
13/12/24  
RECTOR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA-702101

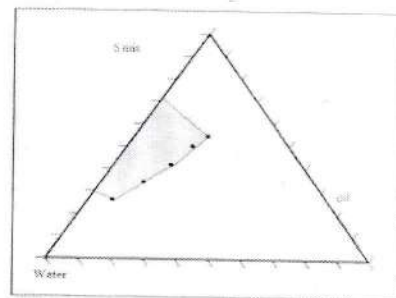

600 rpm throughout the experiment. 0.5 g of each formulation was accurately weighed and added to the donor compartment. At five time points (0.5, 1, 2, 3, 4 and 6 h), 0.1 mL aliquots were withdrawn through the sampling port and replaced immediately with an equal volume of fresh receptor solution to maintain a constant volume of the receiving solution. The samples were then analyzed spectrophotometrically against an appropriate reference. Three replicates of each experiment were conducted. The results were plotted as a cumulative percentage of drug release versus time. The release pattern of drug from NE formulations (F1-F5) was tested using hydrophilic PVDF membranes. Then, the formulation with the highest release profile was chosen to be incorporated into a carbopol gel. The release rate of drug from NE and NEBG was examined using hydrophobic PVDF membranes in order to simulate the stratum corneum, such hydrophobic synthetic membranes generally possess similar rate-limiting permeation properties as skin, thus making them as a suitable choice for predicting drug permeation (24).

### 3. Results

**The pseudo-ternary phase diagram and NE formation:** A Nano emulsion is formed when the interfacial tension between the water and oil interface is reached an extremely low level, and the interfacial layer is maintained highly flexible and fluid like. Resulting in a spontaneous dispersion of one liquid into the other. This is usually met by a careful and precise selection of surfactants and co-surfactants and their respective proportions. Moreover, the components used for developing NEs should have high drug solubilisation capacity, to ensure maximum solubility of the drug in the resultant system. According to the solubility study results, the selected oil (propylene glycol monolaurate), surfactant (caprylocaproyl polyoxyl-8 glycerides) and co-surfactant (diethylene glycol monoethyl ether) showed a high solubility profile of drug compared to other oils and among the investigated surfactants and co-surfactants. Likewise, evaluating the area of NE region in the phase diagram is essential for a successful development of an optimum NE. Hence, constructing a pseudo-phase diagram is vital to determine the composition range of components for the existence of NE. It was observed that the area of NE region increased as the

surfactant/co-surfactant mixture increased. This is probably due to the reduction of the interfacial tension and increased the fluidity of the system. The drug solubility was increased with the increase of the propylene glycol monolaurate as shown in Table 1. Based on the drug solubility, phase diagram and the in vitro drug release of the tested NEs, a micro emulsion containing 3% drug was prepared at surfactant to a co-surfactant ratio of 2:1 and then employed for further analysis.

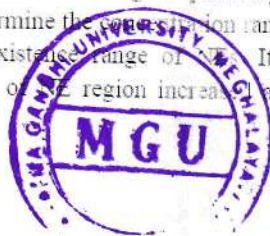

#### 4. Figure 1: Pseudo ternary phase diagram of 2:1 Smix Ratio

**Physical appearance:** The prepared drug-loaded NE was clear, transparent, liquidly and with homogenous appearance. On the other hand, the NEBG was of a glossy appearance, and a smooth, homogeneous texture.

**Percentage transmittance:** The percentage transmittance is an essential parameter to determine the transparency of the system. If the value of the percentage transmittance (%T) is close to 100%, this indicates that the selected formulation is clear, transparent and has a micelle size in the nanometer range, which indicates that the formulations have a large surface area for drug release. It was found that the NE free drug and the NE loaded with drug have transmittance values greater than 98% (Table 3), suggesting their clarity, due to the smaller particle size, which increases the transparency of the formulated systems.

**Phase separation:** Emulsions are normally thermodynamically unstable system and may separate when subjected to physical stresses like centrifugation. Though NEs are visually appear homogeneous as a single-phase system, they are in reality emulsion systems, which were confirmed by laser light scattering measurements. Therefore, they were subjected to

S. D. D. 2  
13/12/24  
REGISTRATION  
M.G. UNIVERSITY  
MEGHALAYA- 793101

centrifugation to confirm the absence of phase separation. NEs did not show any sign of phase separation nor any precipitations when subjected to centrifugation, which confirms the physical stability of the NEs.

**Heating-cooling cycle analysis:** After five heating-cooling cycles, the physical appearances of drug loaded NE was unchanged regarding transparency and phase separation. Moreover, drug precipitation was not noticed. The drug-loaded NEBG did not show any sign of creaming, cracking or phase separation. The changes in the pH of both formulations were not significant for drug-loaded NE and drug-loaded NE gel, respectively. Therefore, the studied formulations were considered physically stable.

**Particle size analysis:** One of the most important characteristics to evaluate NE stability is to measure their particle size. A Zetasizer (DLS) was used to detect the particle size of the drug loaded NE and the gel-based NE. The results of particle size study are listed in Table 3. Amongst all, the drug loaded NE showed the lowest mean particle size of  $108.4 \pm 0.52$  nm while the highest was observed for NE gel with a particle size of  $185.8 \pm 2.32$  nm (Table 3). The increased size of the NE based gel might be related to the addition of carbopol 934P to the NE. Polydispersity index indicates the uniformity of droplet size within each formulation, and varies from 0 to 1. The closer to zero the polydispersity value is the more homogenous are the particles. The polydispersity values of the formulations were very low which indicated uniform droplet sizes within the formulations.

**Zeta potential analysis:** Zeta potential is the measurement of particle charge and or electrostatic repulsion. The physical stability of any disperses systems said to increase with the increase in the electrostatic repulsion energy, which is directly proportional to the particle surface charge and the thickness of the diffusion layer. The negative zeta potential of NEs usually produces steric repulsive forces of hydrocarbon chains which protrude into the oil phase and subsequently hindering aggregation with neighboring oil droplets. Hence, a negative zeta potential is imparting stability of a NEs system. The tested NEs and NE gel based formulations showed physical stability due to their zeta potential between (-24.2 and -34.5mV) as shown in Table 3. The values indicated that the prepared formulations have sufficient charge and mobility to inhibit particle aggregation.

5. Table 3: Physicochemical characteristics of the prepared formulations (mean $\pm$ SD, n=3)

Formulation	% Transmittance	Particle Size (nm)	PDI	Zeta Potential (mV)
NE	100.11 $\pm$ 0.11	108.4 $\pm$ 0.52	0.023 $\pm$ 0.01	-24.2 $\pm$ 0.53 mV
Drug Loaded NE	100.08 $\pm$ 0.12	116.2 $\pm$ 0.452	0.134 $\pm$ 0.23	-32.3 $\pm$ 0.53 mV
NEBG	99.89 $\pm$ 0.15	185 $\pm$ 2.53 nm	0.189 $\pm$ 0.01	-34.5 $\pm$ 0.26

**pH measurement analysis:** The NE drug-free formulation had an observed pH value of  $4.83 \pm 0.012$ . Incorporation of drug did significantly change the observed pH value of the NE (Table 4). However, gelling the drug loaded NE with carbopol significantly increased the pH to  $5.47 \pm 0.02$  which is a suitable pH value for topical applications close to the pH of the skin.

**Rheological studies analysis:** It has been observed that the viscosity of formulations can differ (Table 4), after the addition of drug or adding carbopol gel. The NE containing drug had a higher viscosity value relative to the drug-free NE. Nevertheless, both exhibited Newtonian flow behavior. The studied NE-based gel showed a shear thinning behavior with a viscosity in the range of  $108.30 \pm 24.74$  cP, which is significantly higher compared to the other NEs formulations.

Table 4: pH, drug content and viscosity measurements of the prepared formulations (mean  $\pm$  SD, n=3)

Formulation	pH	Viscosity
NE	4.83 $\pm$ 0.012	36.75 $\pm$ 2.32 CP
Drug Loaded NE	4.95 $\pm$ 0.012	38.43 $\pm$ 2.26 CP
NEBG	5.47 $\pm$ 0.02	108.30 $\pm$ 24.74 CP

**In vitro drug release studies:** In vitro drug release from all formulations are illustrated in Fig. 1 (F1-F5 NEs) and Fig. 2 (semisolid dosage forms). From the data obtained, it was observed that the lowest drug

S. D. D.  
13/12/24

release of drug through the hydrophilic membrane was out of formulation 3. Formulation 2 and 3 exhibited similar release rates at 6 h. Both formulations differ in their Smix and water concentrations but have similar oil concentrations. The formulation with the highest diffusion rate was Formulation 5 through the hydrophilic membrane. This formulation has a 1:1 ratio of water and oil phase. The ME with the highest diffusion capability (formulation 5) was gelled with carbopol. Both un-gelled and gelled formulations were then tested against each other and commercial compounded formulations/ preparations using a hydrophobic membrane to simulate the stratum corneum. A carbopol gel loaded with 3% drug and drug in Vaseline were used as controls. The latter showed no release while the gel-drug formulation released very less drug only. The NE showed as expected a higher drug release compared to its gel form where of drug was release from the NE versus from the gel form. This is presumably due to the increased viscosity. Other authors postulated that carbopol might hinder the drug release by entrapping the drug into its structure or by producing chemical interactions with the drug.

Figure 2: In vitro Diffusion study

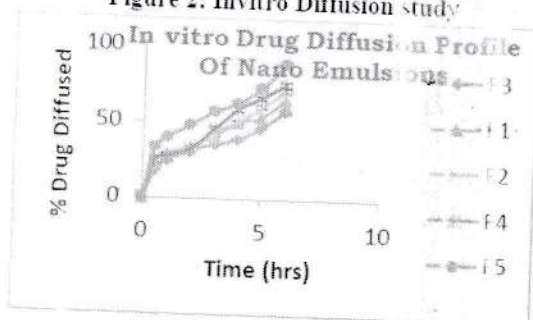

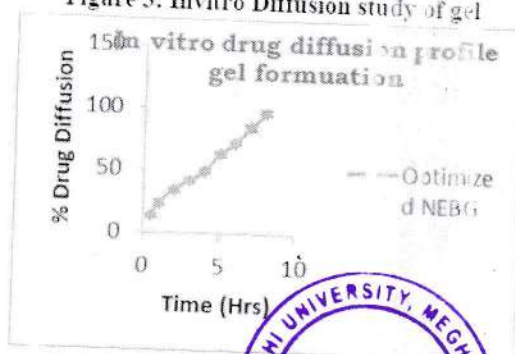

Figure 3: In vitro Diffusion study of gel

### Discussion

It was concluded that topical Nicardipine nanoemulgel has shown to be a more desirable choice in terms of a practical and efficient model of delivery. By Compared with the other formulations, gels are quite patient acceptance, and its absence of oil as a basis results in improved drug release.

# CERTIFICATE OF GRANT INNOVATION PATENT

**Patent number:** 2021104512

The Commissioner of Patents has granted the above patent on 20 April 2022, and certifies that the below particulars have been registered in the Register of Patents.

**Name and address of patentee(s):**

Shailesh Omprakash Kediya of Associate Professor, G.H. Rasoni College of Engineering Nagpur Maharashtra India

Dileep Kumar Singh of Assistant Professor, Pipri Meghe, Sambhaji Nagar Wardha Maharashtra 442001 India

Sunita Dhote of Assistant Professor, Shri Ramdeobaba College Of Engineering, And Management, Katol Road Nagpur Maharashtra 440013 India

Satyajit Sidheshwar Uparkar of Assistant Professor, Shri Ramdeobaba College Of Engineering, And Management, Nagpur Katol Road, Nagpur Maharashtra 440013 India

Tushar Somnathe of Training & Placement Officer Ntpc School, Of Business Noida Uttar Pradesh 201310 India

Smita Nagtode of Associate Professor, Bachelor Road, Near Lok Maha- Vidyalaya Wardha Maharashtra 442001 India

Rupesh Ramesh Rao Dahake of Assistant Professor, Adarsha Science J.B. Arts & Birla, Commerce Mahavidyalaya Dhamangaon Rly, Amravati. Maharashtra 444709 India

Narendra Kawduji Nagpure of Assistant Professor, Adarsha Science J.B.Arts & Birla, Commerce Mahavidyalaya Dhamangaon Rly, Amravati Maharashtra 444709 India

Anand Gangadhar Narnaje of Professor, Adarsha Science, J.B.Arts & Birla Commerce Mahavidyalaya, Dhamangaon Rly: Dist. Amravati Maharashtra 444709 India

Rajesh Kumar Jha of Associate Professor Dr. D.Y.Patil, Institute Of Management And, Entrepreneur Development Pune Maharashtra 412101 India

Sagar O. Manjare of Associate Professor And Principal, Siddhant College Of Management Studies, Sudumbare Pune Maharashtra India

Meraj of Assistant Professor, Amrapali Group Of Institutes, Haldwani Nainital Uttarakhand India

**Title of invention:**

SUPPLY CHAIN MANAGEMENT SYSTEM AND METHOD CONFIGURED BY AN AI EQUIPPED INTEGRATED IoT PLATFORM

**Name of inventor(s):**

Kediya, Shailesh Omprakash; Singh, Dileep Kumar; Dhote, Sunita; Uparkar, Satyajit Sidheshwar; Somnathe, Tushar; Nagtode, Smita; Rao Dahake, Rupesh Ramesh; Kawduji Nagpure, Narendra; Gangadhar Narnaje, Anand; Kumar Jha, Rajesh; O. Manjare, Sagar and Meraj

REGISTRAR  
Dated this 20<sup>th</sup> day of April 2022  
MEGHALAYA- 793101  
Commissioner of Patents

PATENTS ACT 1990

The Registrar of Patents, Meghalaya, is the office to be referred to for the full details pertaining to this Patent.

Extracts from the Patents Act, 1990

**Sect 120(1A)** Infringement proceedings in respect of an innovation patent cannot be started unless the patent has been certified.

**Sec 128 Application for relief from unjustified threats**

(1) Where a person, by means of circulars, advertisements or otherwise, threatens a person with infringement proceedings or other similar proceedings a person aggrieved may apply to a prescribed court, or to another court having jurisdiction to hear and determine the application, for:

- (a) a declaration that the threats are unjustifiable; and
- (b) an injunction against the continuance of the threats; and
- (c) the recovery of any damages sustained by the applicant as a result of the threats.

(2) Subsection (1) applies whether or not the person who made the threats is entitled to, or interested in, the patent or a patent application.

**Sec 129A Threats related to an innovation patent application or innovation patent and courts power to grant relief.**

*Certain threats of infringement proceedings are always unjustifiable.*

- (1) If:
- (a) a person:
    - (i) has applied for an innovation patent, but the application has not been determined; or
    - (ii) has an innovation patent that has not been certified; and
  - (b) the person, by means of circulars, advertisements or otherwise, threatens a person with infringement proceedings or other similar proceedings in respect of the patent applied for, or the patent, as the case may be; then, for the purposes of an application for relief under section 128 by the person threatened, the threats are unjustifiable.

*Courts power to grant relief in respect of threats made by the applicant for an innovation patent or the patentee of an uncertified innovation patent*

- (2) If an application under section 128 for relief relates to threats made in respect of an innovation patent that has not been certified or an application for an innovation patent, the court may grant the application the relief applied for.

*Courts power to grant relief in respect of threats made by the patentee of certified innovation patent*

- (3) If an application under section 128 for relief relates to threats made in respect of a certified innovation patent, the court may grant the applicant the relief applied for unless the respondent satisfies the court that the acts about which the threats were made infringed, or would infringe, a claim that is not shown by the applicant to be invalid.

**Schedule**

**Dictionary**

**certified**, in respect of an innovation patent other than in section 19, means a certificate of examination issued by the Commissioner under paragraph 101E(e) in respect of the patent

## Other University Events

### Reforestation the Future: Mahatma Gandhi University Meghalaya's Environment Day Celebration Inspires Change

In a resounding tribute to environmental conservation on the occasion of 'Environment Day,' Mahatma Gandhi University Meghalaya recently hosted a captivating tree plantation celebration that reverberated with a spirit of hope and rejuvenation.

Amidst the picturesque landscape of Mahatma Gandhi University Meghalaya's sprawling campus, the air was filled with excitement and anticipation as participants gathered for the tree plantation celebration. The event unfolded as a powerful symbol of commitment to reforestation the future and restoring the delicate balance between humanity and nature.

A vibrant tapestry of colors emerged as students, faculty, and members of the local community actively participated in planting saplings. Each tree represented a pledge to nurture and protect the environment, creating a legacy that would benefit generations to come. The atmosphere was charged with enthusiasm and a shared sense of responsibility.

Dr. Sagar O. Manjare, the visionary Vice-Chancellor of Mahatma Gandhi University Meghalaya, expressed his elation, stating, "Our Environment Day celebration goes beyond planting trees; it symbolizes our commitment to restore and protect our precious ecosystems. By inspiring change today, we are nurturing a greener and more sustainable future for tomorrow."

Registrar of the university Dr. Sarika Dixit said that "The tree plantation celebration was not only an act of reforestation but also a catalyst for change." Head-Master of Dehal Bagann L.P. School, Mr. Winterson A. Marak impassioned speeches, emphasizing the critical role of trees in mitigating climate change, enhancing biodiversity, and creating sustainable ecosystems. Their words resonated deeply, igniting a collective determination to embrace a greener and more sustainable future.

NSS Coordinator Assistant Prof. Diganta Bhuyan and Program Officer of MGU added a touch of creativity and artistry to the event, captivating installations and exhibits showcased the beauty of

nature and the urgency of environmental stewardship. From stunning sculptures crafted from recycled materials to thought-provoking photography capturing the magnificence of forests, these visual displays served as poignant reminders of the interconnectedness between humans and their natural surroundings.

**INTERNATIONAL CONFERENCE ON G20 SUMMIT:  
Shaping a Sustainable and Inclusive Global Future**

Mahatma Gandhi University, Meghalaya, hosted a landmark International Conference on "G20 Summit: Shaping a Sustainable and Inclusive Global Future," which was held virtually on the 24th and 25th of July, 2023. The conference was a significant academic event in the university's calendar and marked a key initiative to contribute to global discourse on sustainability and inclusivity. With participants from across the world, the conference brought together diplomats, policymakers, academicians, scientists, and students to deliberate on crucial global challenges.

The conference was inaugurated by Honorable Dr. Rajan Chopra, Chancellor of Mahatma Gandhi University, whose thought-provoking speech set the tone for the two-day discussions. Dr. Sagar O. Manjare, Vice-Chancellor, welcomed the esteemed participants, creating an atmosphere for enriching dialogue and intellectual exchange. The Chief Guest, Dr. Mohammad Israr, President of Maryam Abacha American University of Nigeria, delivered an inspiring address, resonating deeply with the attendees.

The conference saw overwhelming participation with 1216 registrants, of which 789 actively engaged in the proceedings. A total of 75 research papers were submitted, and 32 papers were

REGISTRAR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA-781011

presented during the Paper Presentation sessions, highlighting critical issues on sustainability, inclusivity, and global development. The academic richness of the conference was further enhanced by international keynote speakers such as Prof. Emmanuel Philip Ododo, Dr. Mujtaba Momin, Dr. Portolan Giulio, and Dr. Pravin Ingle. They offered diverse perspectives on shaping a sustainable future. National speakers, including eminent experts like Dr. Vinay Nandre, Dr. Bharat Bhushan, and Dr. Santosh Shelke, added a broader scope to the discussions with their insights on India's role in global development.

The conference featured four interactive Q&A sessions and two panel discussions, allowing participants to engage deeply with the presented topics. Virtual exhibitions were another highlight, showcasing 39 creative posters, which captivated the audience's attention. Online competitions were held, with 301 participants actively contributing.

The conference was expertly anchored by Dr. Sarika Dixit, Registrar of Mahatma Gandhi University, ensuring a smooth flow of sessions. The organizational success of the conference was largely due to the efforts of Conference Convenor Dr. Sunjit Bosumatary, and Co-Convenors K.P. Sousa and Priyanka Goswami, who coordinated the entire event. Further support from Dr. Dinesh Baishya, Dean of Academics, and the Organizing Secretary Sibani Sarma, along with the dedicated work of the committee members, ensured the event's success.

The Co-ordination Committee, comprising Nishasmita Deka, Daily Grace Lamare, Virginia Mary Suchiang, Mahidul Islam, Hemanga Mazumdar, Sushmita Sen, Champa Bormon, and Biswajyoti Roy, was instrumental in managing the seamless organization of the conference.

The International Conference on G20 Summit set a new benchmark at Mahatma Gandhi University for its commitment to fostering global dialogue and knowledge exchange. This event not only promoted sustainable and inclusive development but also positioned the university as a key player in contributing to global policy discussions. The success of this conference paved the way for future academic events aimed at addressing global challenges and finding innovative solutions.

The conference stands as one of the most impactful events in the academic calendar of Mahatma Gandhi University, for the year 2023-2024, contributing significantly to the global academic community.

## INDEPENDENCE DAY

Mahatma Gandhi University, Meghalaya celebrated 77th Independence Day on 15<sup>th</sup> August 2023 with its teaching and non-

teaching staffs and with the students. The Vice Chancellor of the University Dr. Sagar Onkaraya Manjare hoisted the flag with a heart full of joy and felt proud to be a responsible citizen of India. Then the Vice Chancellor of the University; Dr. Mohan Bhattacharya delivered a speech on the Martyrs of the country. The program follows with another speech on "Freedom struggle of India" which was delivered by Dean cum Principal of the College of Pharmacy of Mahatma Gandhi University, Dr. Krishna Reddy. The program ended with the National anthem.

### TEACHERS DAY 5<sup>TH</sup> SEPTEMBER

On 5th September 2023, Mahatma Gandhi University celebrated Teachers' Day with immense respect and gratitude, marking the occasion as a heartfelt tribute to the educators of the university. The celebration aimed to honor the significant role that teachers play in shaping the lives and futures of students, fostering academic excellence, and nurturing their holistic development.

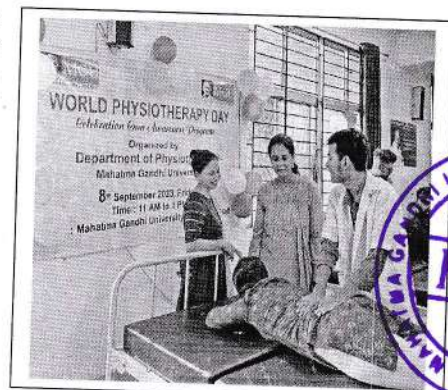

The event began with students warmly welcoming the teaching faculties, offering them gifts as tokens of appreciation for their dedication and guidance throughout the academic journey. The atmosphere was filled with admiration, as students expressed their heartfelt gratitude for the tireless efforts of their teachers.

The program was further enriched by the presence of the esteemed Vice Chancellor, who addressed the gathering with an inspiring speech, recognizing the contributions of the faculty members and highlighting the pivotal role of teachers in building a strong academic foundation for the students. Following this, the Dean of Humanities and the Dean of Healthcare delivered motivating speeches, encouraging the educators to continue their commendable work and reaffirming their essential place in the university's mission to achieve educational excellence.

The event concluded with a note of appreciation from the faculty, who expressed their joy and honor in being part of such a warm celebration. The Teachers' Day celebration at Mahatma Gandhi University was a memorable event, serving as a reminder of the profound impact that teachers have on their students and the broader academic community.

### WORLD PHYSIOTHERAPY DAY CELEBRATION 2023

On the occasion of World Physiotherapy Day on 8th September 2023, the Physiotherapy Department of Mahatma Gandhi University organized an awareness and consultation camp for our staff at MGU auditorium. Dr. Sagar O Manjare, Vice Chancellor, started the program with an inaugural speech. The program was followed by a speech by Dr. Sarika Dixit, Registrar, MGU and an

interactive presentation by Dr. Priyanka Goswami, Head of the Department of Physiotherapy. After the speech session, the health camp started. All the faculties and students of the department participated in the camp.

The program concluded with a vote of thanks by Students of Mahatma Gandhi University. Apart from this, three of our students also participated in the poster presentation held at Health City Hospital, Guwahati.

### NSS DAY CELEBRATION 2023 AT MAHATMA GANDHI UNIVERSITY, MEGHALAYA

On 23rd September 2023, Mahatma Gandhi University, Meghalaya, celebrated NSS Day with great enthusiasm at the university auditorium hall. The event, attended by faculty members, students, and NSS volunteers, was a remarkable occasion to recognize the spirit of service and social responsibility that the National Service Scheme (NSS) promotes.

The celebration began with a brief introduction to the purpose and significance of the day, delivered by Virginia Mary Suchiang, Programme Officer, NSS Unit, MGU. This was followed by a warm welcome address by Dr. Sanjit Bosumatary, Coordinator, NSS Unit, MGU, who highlighted the achievements of the NSS and its vital role in community service.

One of the highlights of the first session was the cake-cutting ceremony, symbolizing the unity and camaraderie shared by the NSS volunteers and participants. Attendees enjoyed a photo opportunity, capturing moments of joy and celebration.

The event proceeded with insightful speeches from key dignitaries. Prof. (Dr.) Sagar O. Manjare, Vice Chancellor, MGU, delivered an inspiring address, emphasizing the value of service to society. A short but impactful speech was also given by Dr. Sarika Dixit, the Registrar of MGU. The former Coordinator of NSS at MGU and faculty member, K.P. Sousa, shared his

experiences, followed by an address by Priyanka Goswami, Member of the Advisory Committee, NSS Unit.

The first session concluded with a vote of thanks delivered by Virginia Mary Suchiang, expressing gratitude to all attendees and contributors.

The second session involved a series of engaging activities, including an Extempore Speech competition, a Quiz Competition, and exciting Carom and Chess competitions. Participants demonstrated their skills and enjoyed the friendly spirit of competition. The winners were recognized and honored during the Prize Distribution ceremony.

The NSS Day Celebration came to a close with a final vote of thanks, marking a successful and meaningful event that strengthened the university's commitment to the ideals of NSS.

### **WORLD PHARMACIST DAY CELEBRATED AT MAHATMA GANDHI UNIVERSITY, MEGHALAYA**

On 25th September 2023, Mahatma Gandhi University, Meghalaya, celebrated World Pharmacist Day with a vibrant and informative program, highlighting the importance of pharmacists and their role in healthcare. The event saw enthusiastic participation from students of the Pharmacy and Physiotherapy departments, as well as students from Social Sciences, fostering an interdisciplinary approach to the celebration.

The program was convened by Prof. Hemanga Mazumdar, Head of the Department of Pharmacy, with the esteemed presence of the Hon'ble Vice-Chancellor, Dr. Sagar Onkaraya Manjare, and Registrar, Dr. Sarika Dixit. Their speeches underscored the evolving role of pharmacists in global health, particularly in ensuring safe and effective medication use. Faculty members from the Department of Pharmacy delivered insightful presentations on various topics related to pharmaceutical sciences, which were well-received by the audience.

Beyond academic discussions, the event also featured creative activities, including a Rangoli competition and a poster presentation, where students showcased their artistic talents while raising awareness about crucial health topics. The day concluded with a heartfelt vote of thanks by Prof. Sivajyoti Dey of the Department of Pharmacy, expressing gratitude to all dignitaries, faculty, and students for their active participation in making the event a success.

The celebration of World Pharmacist Day at Mahatma Gandhi University served as a reminder of the integral role that pharmacists play in healthcare systems and inspired students to continue contributing meaningfully to the field.

### **SWASTH HI SEWA CAMPAIGN 2023 CONDUCTED BY MAHATMA GANDHI UNIVERSITY, MEGHALAYA**

On 30th September 2023, Mahatma Gandhi University, Meghalaya, actively participated in the nationwide Swasth Hi Sewa Campaign by organizing a comprehensive cleanliness drive in and around the university campus, as well as at Byrnihat Market in the Ri-Bhoi district. The campaign aimed to promote cleanliness, public health, and environmental awareness.

MAHATMA GANDHI UNIVERSITY  
Byrnihat Market, Ri-Bhoi

The event was led by the enthusiastic NSS volunteers of the university, under the leadership of Sanjit Basumatary, Dean of Social Sciences, and Virginia Suchiang, the NSS Convenor. With the full cooperation of the university's faculty members, the volunteers worked diligently to clean the university premises, collecting and disposing of waste in an organized manner. Following the campus drive, the team extended their efforts to the Byrnihat Market area, where they engaged in a cleanliness drive and conducted an awareness campaign for the local vendors. The campaign focused on educating the vendors about the importance of segregating waste materials and ensuring proper disposal in designated dustbins to maintain hygiene in the market area. The university's initiative received positive feedback from the local community, reinforcing the importance of collective efforts towards maintaining cleanliness. The Swasth Hi Sewa Campaign at Mahatma Gandhi University demonstrated a strong commitment to public health, hygiene, and community service, furthering the university's dedication to social responsibility.

### DIWALI CELEBRATION

On 11th November 2023, Mahatma Gandhi University celebrated Diwali, the festival of lights, with great enthusiasm and reverence. The event brought together students, staff, and faculty members in a joyous atmosphere, highlighting the essence of Diwali as a festival that symbolizes the triumph of light over darkness and good over evil.

The celebration began with a traditional puja offered to Goddess Kali, invoking her blessings for prosperity and protection. The university campus was beautifully adorned with oil lamps, creating a serene and vibrant ambiance. The lighting of lamps symbolized the dispelling of darkness and the welcoming of hope and positivity.

A key highlight of the evening was the lighting of crackers, which added a festive

RISHI BHOI, MEGHALAYA

spark to the occasion, filling the air with excitement and joy. Participants enthusiastically took part in the lighting of oil lamps, contributing to the mesmerizing glow that illuminated the campus.

To complement the celebration, tea and sweets were distributed to all participants, fostering a sense of togetherness and community spirit. The Diwali celebration at Mahatma Gandhi University was a wonderful blend of tradition, joy, and cultural expression, leaving participants with cherished memories of the festival of lights.

### FRESHERS MEET

On 18th November 2023, Mahatma Gandhi University hosted a vibrant Freshers Meet to warmly welcome the new batch of students. The event commenced with an orientation program, introducing the freshers to the university's academic environment, resources, and values. Students were given an overview of the university's vision and mission, and the event served as a platform for interaction between the new students and the teaching staff. The esteemed Vice Chancellor, the Registrar, and the Deans of all faculties graced the occasion, each delivering encouraging speeches aimed at motivating the students for their academic journey ahead. Amidst tea breaks and informal interactions, the freshers had an opportunity to familiarize themselves with the university's community, creating a welcoming and inclusive atmosphere. The event concluded with a strong sense of camaraderie and excitement for the new academic year.

### PRE-CELEBRATION OF CONSTITUTION DAY

On 24th November 2024, Mahatma Gandhi University, Meghalaya, held a Pre-Celebration of Constitution Day, starting with the reading of the Preamble led by Dr. Sibani Sharma, Head of the Department of Law. Faculty members, students, and non-teaching staff participated in the pledge-taking ceremony. The event featured Thaneswar Kalita, Retired

MEGHALAYA

District and Sessions Judge of Kamrup (M), Assam, as the Resource Person, who delivered an insightful lecture on the Indian Constitution, focusing on its important provisions, especially Fundamental Rights. His talk highlighted the significance of these rights in protecting individual freedoms and promoting equality in society.

#### **INTERNATIONAL HUMAN RIGHTS DAY**

On 8th December 2023, Mahatma Gandhi University, Meghalaya, celebrated International Human Rights Day ahead of the official date due to upcoming holidays. The event, held on the university campus, witnessed the participation of 155 individuals, including 35 students, alongside staff and professors. The occasion was graced by the presence of the Honourable Vice-Chancellor, the Registrar, and the Dean of Social Sciences, adding to the significance of the day. A special highlight of the celebration was a Moot Court competition, conducted in the Moot Court Room of the University, along with a poster-making competition, both focusing on human rights issues. The faculty members from the Department of Law played a pivotal role in facilitating these events, earning appreciation from the university authorities for their efforts. The program's resource person, Mr. Santosh Sharma, Advocate of the Gauhati High Court, delivered an insightful address on the importance of human rights in contemporary society. The event successfully raised awareness among the students and staff, emphasizing the need to uphold human rights principles and fostering a culture of legal awareness and advocacy.

#### **AWARENESS ON NDPS ACT**

On 7th and 8th December 2023, Mahatma Gandhi University, Meghalaya, hosted an Awareness Program on the legal implications of using psychotropic substances, in collaboration with a state-level coordinating agency for drug prevention in Assam and Meghalaya. The program focused on the Narcotic Drugs and Psychotropic Substances (NDPS) Act, 1985, with Mr. B.C. Medhi, Retired Judge of the District and Sessions Court, Kamrup (M), serving as the Resource Person. Other distinguished speakers included Mr. Thanesar Kalita, another retired judge, and Mr. Pratap Chandra Das, Principal of Barpeta Law College, who provided an in-depth analysis of the NDPS

Act. The event featured an engaging interaction session between law students and resource persons, fostering discussions on drug prevention and legal enforcement. Social workers from an NGO running a rehabilitation center in Sonapur also participated, highlighting efforts to prevent drug abuse in the nearby locality and ensuring rehabilitation for addicted individuals.

### PRE-CHRISTMAS CELEBRATION

On December 16th, 2023, Mahatma Gandhi University celebrated Pre-Christmas with great joy and enthusiasm, ahead of the usual Christmas holidays. Given that a significant portion of the university's students follow Christianity, the event held special meaning for the campus community. The celebration was meticulously facilitated by the faculty members, who organized a range of vibrant activities, making the day memorable for all involved.

The university auditorium came alive with Christmas carols, songs, and dances performed by students and staff alike. Talented student musicians played guitars, filling the atmosphere with festive melodies, while others showcased their dancing skills, adding to the spirit of celebration. A beautifully decorated Christmas tree stood tall on the campus, symbolizing the joy and warmth of the holiday season.

The event also featured fun activities and games, fostering a sense of unity and camaraderie among students, faculty, and staff. A special prayer session was held, invoking blessings for peace, harmony, and goodwill, followed by a meeting where the significance of Christmas and the values of love and kindness were discussed. To complete the festivities, everyone enjoyed a delicious spread of cakes and a hearty lunch, contributing to the overall cheer of the occasion. The Pre-Christmas celebration at Mahatma Gandhi University truly embodied the spirit of togetherness and joy associated with the Christmas season.

The Pre-Bhogan Bihu celebration at Mahatma Gandhi University, Meghalaya, held on January 13<sup>th</sup> 2024, was a festive event filled with cultural vibrancy. A total of 70 participants, including both teaching and non-teaching staff, gathered at the university's auditorium to mark the occasion. The event was graced by the esteemed Vice-Chancellor, Registrar, and Deans of all

S. D. D. D.

MEGHALAYA- 783101

faculties. Local Assamese cuisine, including various types of pitha, tea, and curd, was served, contributed by all stakeholders, adding a traditional flavor to the celebration.

Cultural activities were the highlight of the day, with enthusiastic performances by faculty members. The well-known Bihu dance, performed by the staff, brought a lively and festive spirit to the celebration. Modern songs were also performed, blending tradition with contemporary culture. Additionally, tea with local delicacies and a lunch were served to all participants, enhancing the sense of community.

The event reached its climax with the burning of the "Meji," a house made of thatch, symbolizing the traditional Bhogali Bihu ritual. A puja was offered to the deity of fire as part of the customary practice, adding a spiritual dimension to the celebration. The Pre-Bhogali Bihu celebration successfully brought together the university community, showcasing Assamese culture and fostering unity among the staff.

### REPUBLIC DAY

On 26th January 2024, Mahatma Gandhi University, Meghalaya, proudly celebrated Republic Day with a heartfelt ceremony. The event began with the hoisting of the Tiranga, the National Flag of India, by the Honourable Vice-Chancellor, Prof. Sagar O. Manjare, on the university campus. The Tiranga, a tricolored flag, features saffron at the top, symbolizing courage and sacrifice, white in the middle representing peace and truth, and green at the bottom signifying faith and fertility. The flag also bears the Ashoka Chakra, symbolizing the eternal wheel of law. Around 30 students and faculty members gathered for the ceremony, singing the National Anthem in reverence. The celebration concluded with light refreshments, where tea and snacks were served, creating an atmosphere of unity and patriotic pride among all present.

### SWARASWATI PUJA CELEBRATION

On February 14th, 2024, Mahatma Gandhi University, Meghalaya, celebrated Saraswati Puja with great devotion and reverence. Saraswati, the goddess of knowledge, wisdom, and arts, holds a special place in Indian culture, and her puja is a significant event for educational institutions across the country. The university campus was adorned with decorations, and a beautifully crafted idol of

REGISTRAR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA-793191

Goddess Saraswati was installed for the ceremonial offerings and prayers.

The celebration brought together students, faculty, and staff to seek the blessings of the goddess for wisdom and success in their academic and personal pursuits. A serene and spiritual atmosphere filled the air as hymns and prayers were chanted, invoking the goddess to bestow her divine grace. The faculty, along with the students, actively participated in the rituals, creating a sense of unity and devotion within the campus community.

Following the puja, a community lunch was organized, offering traditional vegetarian dishes to all participants. This meal not only added to the festive spirit but also fostered camaraderie among the university members. Saraswati Puja at Mahatma Gandhi University was a meaningful celebration, symbolizing the importance of knowledge and education, and reinforcing the institution's commitment to academic excellence under the divine guidance of the goddess of learning.

## National Pharmacy Education Day

On March 6, 2024, Mahatma Gandhi University, Meghalaya hosted a grand celebration of National Pharmacy Education Day under the banner of PHARMA ANVESHAN-2024, highlighting the significance of pharmaceutical education. The event began with an inspiring welcome speech by Prof. Priyanka Goswami, alongside esteemed Heads of Departments of the university. The official inauguration, marked by the traditional lighting of the lamp, was performed by the Hon'ble Vice-Chancellor, Prof. (Dr.) Sagar Manjare, who also served as the Chief Guest. In his address, Prof. Manjare focused on the critical need to combat drug abuse, delivering a powerful lecture that emphasized preventive strategies and the importance of community intervention.

The audience was further engaged by Dr. Krishna Reddy, Dean (Faculty of Allied Health Science), who honored the legacy of Prof. M.L. Schroff, the father of pharmaceutical education in India, and discussed the growing

## NSS Activities 2023-2024

### Swachhta Hi Sewa (SHS) Campaign

The NSS Unit of Mahatma Gandhi University, Meghalaya, actively engages in various community service and awareness initiatives aimed at promoting health, cleanliness, and social responsibility. As part of the university's ongoing efforts to contribute to societal well-being, a series of programs and activities were organized, fostering participation from students, faculty, and local communities. The following is a detailed description of the activities conducted by the NSS Unit as part of these initiatives.

#### DAY-1

The NSS Unit of MGU, Meghalaya, organized a 'Health Awareness Programme' under the banner of the 'Swachhta Hi Sewa' campaign at the MGU premises on 15th September, 2023.

#### DAY-2

On 16<sup>th</sup> September, 2023 the NSS Unit of MGU initiated the 'Swachhta Hi Sewa' Campaign in Dehal Bagan Village, Meghalaya, the adopted village of NSS Unit MGU, where a cleanliness drive was conducted.

### DAY-3

The NSS Unit of Mahatma Gandhi University (MGU), Meghalaya, took an initiative of holding placards during the Swachhta Hi Sewa campaign in a nearby village to MGU on 21st September, 2023.

### DAY-4

The Pre-NSS Day was successfully celebrated with a variety of events, including speeches from distinguished guests, including the Vice Chancellor and Registrar of MGU, Meghalaya, as well as an extempore speech, quiz competition, Carom competition, and Chess Competition. The program concluded with the distribution of attractive prizes to the event winners and a vote of thanks.

### DAY-5

On September 30, 2023, the NSS Unit of MGU conducted a cloth bag distribution drive in the university's vicinity as part of the 'Swachhta Hi Sewa' campaign.

## DAY-6

On October 1, 2023, the NSS Unit of MGU, Meghalaya, conducted a cleanliness drive in the villages near the University as part of the 'Swachhta Hi Sewa' campaign.

## DAY-7

On October 2, 2023, as part of the 'Swachhta Hi Sewa' campaign, the NSS Unit of MGU, Meghalaya, celebrated 'Gandhi Jayanti' at the university premises and organized a cloth bag distribution rally with the theme of promoting health and discouraging plastic usage in the nearby villages of the University.

### Pre-Celebration of Constitution

**Day at MGU:** The NSS Unit of Mahatma Gandhi University (MGU) organized a Pre-Celebration event for Constitution Day on the 24th of November 2023, which witnessed enthusiastic participation from approximately 100 NSS volunteers. The event aimed to raise awareness about the significance of the Constitution of India and engage students in intellectual discussions and competitions.

## Event Overview:

**Session 1: Intellectual Speeches** The program commenced with the first session featuring speeches by esteemed intellectuals. Notable speakers included a Retired District Sessional Judge, the Vice-Chancellor of MGU, and various Faculty Members. Each speaker delved into different aspects of the Constitution, emphasizing its historical importance, fundamental principles, and relevance in contemporary society. The speeches aimed to inspire the NSS volunteers and students to appreciate the Constitution as the bedrock of our democratic values.

### Session 2: Competitions and Prize Distribution

The second session was a dynamic blend of competitions and prize distribution. It included a Debate Competition and an Extempore Speech Competition among the students. The debate topics were carefully chosen to encourage participants to critically analyze constitutional issues and express their perspectives. The extempore speeches showcased the spontaneity and knowledge of the participants.

The competition was keenly contested, with participants showcasing their research, analytical skills, and oratory prowess. The judging panel, comprising faculty members and guest speakers, faced the challenging task of selecting the winners.

**Prize Distribution:** The event concluded with the distribution of prizes to the winners of the competitions. The recognition was not only a celebration of individual achievements but also a collective acknowledgment of the participants' commitment to constitutional values and academic excellence.

The Pre-Celebration of Constitution Day at MGU, organized by the NSS Unit, proved to be a resounding

S. D. D. /  
13/12/21  
PROFESSOR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 793101

success. It not only fostered a deeper understanding of the Constitution but also provided a platform for students to engage in thoughtful discussions and competitions.

The event exemplified the commitment of MGU's NSS Unit to promoting civic awareness and intellectual development among its student body.

By instilling a sense of pride and responsibility towards the Constitution, the event contributed to the holistic education and development of the participants. The NSS Unit looks forward to organizing similar initiatives in the future to continue fostering a sense of constitutional duty and awareness within the MGU community.

**Cleanliness Drive:** Regular Cleanliness Drive on 25th November 2023.

The NSS Unit of MGU (Mythical University) demonstrated its commitment to community service by organizing a regular cleanliness drive on the university campus on 25th November 2023. This initiative aimed to instill a sense of responsibility and civic duty among the students while contributing to the upkeep of the university premises. Approximately 80 enthusiastic NSS volunteers actively participated in the event, displaying a remarkable spirit of teamwork and dedication.

The cleanliness drive encompassed various areas of the MGU campus, including academic buildings, open spaces, and common areas. The volunteers, armed with cleaning equipment and a shared vision of a cleaner and healthier environment, worked diligently throughout the day. Their efforts not only resulted in a visibly cleaner campus but also fostered a sense of pride and ownership among the student community. The event's success highlights the NSS Unit's ongoing commitment to social responsibility and community engagement, reinforcing its role as a catalyst for positive change within the university and beyond.

#### 1. Activity Report: NSS Orientation Program on Sustainable Development (SDGs)

On 4th December 2023, NSS volunteers participated in the Orientation Program on Sustainable Development and Sustainable Development Goals (SDGs), organized by the NSS Cell in collaboration with the Sustainable Development Department of Meghalaya at North East Hills University, Shillong. The program aimed to enhance awareness of sustainable development principles and the importance of achieving the SDGs.

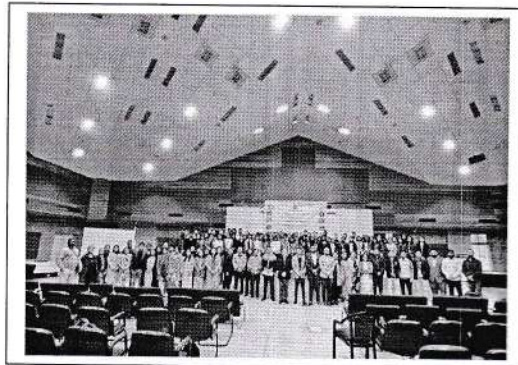

Throughout the program, various sessions were held to discuss the significance of each SDG and explore ways in which NSS volunteers can actively engage in promoting sustainable practices. The collaboration with the Sustainable Development Department provided a deeper understanding of local initiatives for sustainability in Meghalaya. Participants were encouraged to adopt sustainable practices in both daily life and community service, fostering a sense of responsibility towards building a sustainable future.

Ms. Virginia Suchiang, Assistant Professor from Mahatma Gandhi University's Department of English, served as the resource person for the event, guiding participants through the key concepts of sustainable development. The program was organized by the NSS members of Mahatma Gandhi University and was a valuable experience for all attendees, equipping them with the knowledge and motivation to work towards achieving SDGs

## 2. Activity Report: Special Camp of NSS Unit, Mahatma Gandhi University

From 13th to 16th February 2024, the NSS Unit of Mahatma Gandhi University organized a special camp at Dehalbagan Byrnihat, an adopted village located about 3 km from the university in Ri-Bhoi District, Meghalaya. The camp was attended by 35 university students and saw active participation from community members. Key activities included discussions on local health issues, a free health check-up, a cleanliness drive, and a yoga session. Students also shared their experiences on various societal issues during a fire camp.

The State NSS Officer (SNO), Meghalaya, Mr. F. Rumnong was present and motivated participants to contribute further to society. A mass cleaning drive conducted at another location at the tourist spot along the Umtru River was one of the highlights of the camp, earning much appreciation from the village headman of the locality for the volunteers' efforts. The camp strengthened the bond between the university and the community, promoting health, cleanliness, and sustainable practices.

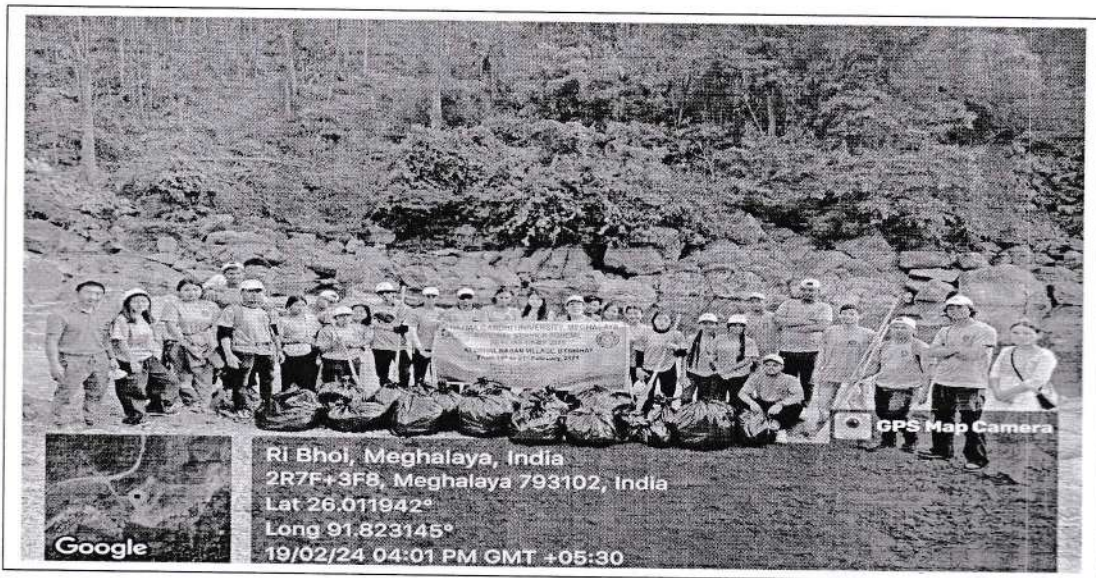

Students also participated in a training session at the North East Cane and Bamboo Development Corporation (NECBDC) located at the Byrnihat area of Ri-Bhoi District. 30 NSS volunteers participated in the program and prepared useful bamboo products including decorated light frame, broom sticks etc.

### 3. Activity Report: International Women’s Day Program 2024

On 8th March 2024, Mahatma Gandhi University, Meghalaya, in collaboration with the NSS and Blue Sky (NGO) Guwahati, organized a vibrant one-day program to celebrate International Women’s Day at the Auditorium Hall of the university. The event aimed to highlight critical women's issues, promote leadership, and enhance awareness about menstrual hygiene while providing an avenue for cultural exchange and entertainment.

The program commenced with an inaugural session led by Valentina Basumatary and Gracy N Marak, who eloquently introduced the importance of Women’s Day. The Vice-Chancellor of MGU, Professor Sagar O Manjare, delivered an inspiring speech, emphasizing the roles of women in society and the need for empowerment and inclusivity. The session continued with a panel discussion on gender issues and inclusivity, moderated by Champa Barmon and featuring keynote speakers Priyanka Goswami, Sibani Sarmah, and Subhalakshmi Chakraborty. The discussions explored key societal issues faced by women, including legal protections under the Domestic Violence Act.

In Session II, Dr. Amalesh Adhikary led a capacity-building session on menstrual hygiene, focusing on breaking taboos and encouraging healthy practices. The session included a commendable initiative by Blue Sky NGO, which distributed reusable sanitary pads to promote sustainable menstrual hygiene solutions.

MAHATMA GANDHI UNIVERSITY  
MEGHALAYA 793102

Session III featured a grooming and personality development contest, where seven women participants shared their experiences and showcased their talents. Valentina Basumatary, Gracy N Marak, and Khushi Mishra were awarded for their outstanding performance. The session concluded with an open mic event, allowing participants to express themselves through music, dance, and speeches. In total, 62 participants including students, faculty, and staff members actively engaged in the program. The event's outcomes included heightened awareness about women's health and rights, sustainable hygiene practices, and the empowerment of women through leadership and self-expression. The initiative was a remarkable step towards promoting gender equality and fostering a more inclusive society within the university and beyond. NSS volunteers were also awarded certificates of experience.

Valentina Basumatary receiving 1<sup>st</sup> Prize

Gracy N Marak receiving 2<sup>nd</sup> Prize

Khushi Mishra Receiving 3<sup>rd</sup> prize

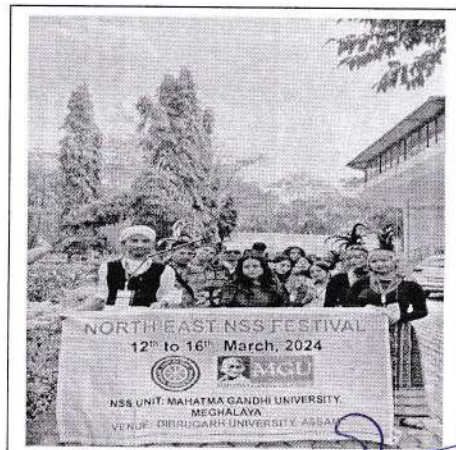

NSS volunteers receiving certificates from faculties of the universities

#### 4. NSS Activity Report: Participation in North East NSS Festival 2024

The NSS Unit of Mahatma Gandhi University (MGU), Meghalaya, proudly participated in the prestigious North East NSS Festival 2024, held from March 12 to March 16 at Dibrugarh University, Assam. The festival, organized under the auspices of the Ministry of Youth Affairs and Sports, Government of India, brought together over 325 NSS volunteers from eight northeastern states. With the theme "Viksit Yuva-Viksit Bharat" (Developed Youth, Developed India), the event focused on youth's role in societal development through technical sessions, cultural programs, and leadership-building activities.

Representing MGU, a dedicated team of 12 students—six boys and six girls—actively participated in the festival. The male participants included Wanbor Marboh, Livingston Lapasam, Yekavi Swu, Haorangbam Nganthoiba, Bhaktaraj Basumatary, and Jackwin Ch Momin. The female participants were Khushi Mishra, Enisha M Tynsong, Blessy R Sangma, Tinghengwiliue, Juri Moni Boro, and Baha Hembram. The team was led by the NSS Program Officer, Ms. Champa Bormon, who ensured the smooth participation of the students in various activities and discussions.

The festival provided a platform for MGU's NSS volunteers to engage in cultural exchanges, explore regional heritage, and contribute to discussions on youth-led initiatives for nation-building. Notably, Mahatma Gandhi University was one of only two educational institutions from Meghalaya selected to attend the event, reflecting the university's commitment to promoting youth empowerment and social responsibility. The students participants exhibited traditional dances and rally and state Anthem showcasing the rich traditional culture and heritage of Khashi, Garo, and Jaintia communities.

The NSS cell of MGU played a pivotal role in preparing and guiding the students for this enriching experience, contributing to the university's mission of fostering leadership, service, and community engagement. The participation in the North East NSS Festival 2024 was a testament to the dedication of the university's NSS unit in making a positive societal impact

**5. Anti-Tobacco Program:** On 17th May 2024, Mahatma Gandhi University (MGU), Meghalaya, in collaboration with Sambandh Health Foundation, organized a webinar to mark the beginning of a campaign for World No Tobacco Day. The online training session aimed to educate and equip university stakeholders, NSS officers, students, NSS volunteers, and faculty members with strategies to lead anti-tobacco campaigns, focusing on creating a tobacco-free Meghalaya. The webinar covered the harmful effects of tobacco, emphasizing the need for collective action to reduce its use among youth. Experts from the foundation shared valuable insights on how to approach awareness campaigns, highlighting the severe health risks, including cancer and cardiovascular diseases.

MEGHALAYA- 793101

The training session paved the way for an awareness campaign at the market area of Byrnihat bringing consciousness among the participants regarding the adverse effects of tobacco use. The training also led to MGU's broader World No Tobacco Day activities on 31st May 2024. On that day, the university held an impactful campaign and rally where professors urged students to avoid tobacco, stressing the importance of adopting healthier lifestyles. The rally, which took place on campus and in surrounding areas, saw active participation from students, faculty, and NSS volunteers. Participants carried placards with anti-tobacco slogans and distributed informative pamphlets to raise awareness among the community. The combined efforts of the webinar and the rally heightened awareness about the dangers of tobacco and reinforced MGU's commitment to public health advocacy, making the campaign a significant step toward promoting a tobacco-free society.

## 15.4 ANNEXURE-V

### Special Achievements of Mahatma Gandhi University

Mahatma Gandhi University (MGU) has consistently demonstrated excellence in academia, positioning itself as a leader in higher education and innovation. Recognized nationally and internationally, MGU's accolades reflect its dedication to student success, educational accessibility, and academic advancement. In **2020, MGU was honored with the "Outstanding University in Training and Placement Award"**, a distinction that underscores its commitment to fostering industry partnerships and equipping students with practical skills to excel in a competitive global workforce. This award celebrates MGU's strategic initiatives in bridging academia and industry, an achievement that continues to benefit students, employers, and the community at large.

Earlier, in **2013, MGU was celebrated at the World Education Congress, receiving the award for the "Best Initiative in Higher Education for Open and Online Learning."** This recognition was a testament to the university's pioneering role in adopting flexible learning models that expand educational access and inclusivity. MGU's commitment to open and online learning set a benchmark within the academic community, making quality education accessible to a broader demographic of learners through innovative e-learning platforms.

MGU's contributions to the K-12 segment in higher education earned it a distinctive award for **"Opening Learning for K-12 in Higher Examination."** This achievement highlights MGU's forward-thinking approach to curriculum development, facilitating smooth transitions between secondary and higher education. By providing resources tailored to K-12 learners, MGU supports early engagement in higher education and empowers students to pursue academic and career goals with confidence.

Another accolade, the **"Best Academic Initiative of the Year,"** is a reflection of MGU's enduring focus on holistic academic programs that resonate with contemporary educational standards. This award represents MGU's proactive approach in responding to evolving academic needs, thus enhancing the university's reputation as an institution that places student-centric learning and academic rigor at the forefront of its mission.

In recognition of MGU's global outreach and impactful academic content, the **SOE Global Education Award in 2012** marked yet another milestone for the university. This award distinguished MGU as a key contributor to international education, elevating the standards of content delivery and setting a model for quality-driven global education practices.

The **"Excellence Award, 2023" for providing the "Best Academic Content Learning Management System"** further underscores MGU's leadership in integrating technology with pedagogy. By developing an advanced Learning Management System (LMS), MGU has created a dynamic and interactive platform for content delivery, assessment, and academic support. This system has strengthened the academic experience for both students and faculty, demonstrating MGU's commitment to continuous improvement and digital transformation.

Finally, MGU's legacy of academic distinction has been recognized through the prestigious **"Award for Excellence in Education."** This award is a reflection of the university's sustained impact on the academic community, acknowledging its achievements in delivering quality education, fostering research, and promoting academic integrity. This recognition reinforces MGU's role as an academic leader that champions educational innovation and sets high standards for institutions across the nation.

Each of these awards and recognitions not only highlights **Mahatma Gandhi University's** achievements but also reflects its unwavering dedication to creating an inclusive, accessible, and forward-thinking educational environment. These awards are a source of pride for the university and its stakeholders, reaffirming MGU's position as a distinguished institution committed to shaping the future of education.

## 16.1 & 16.2 ANNEXURE-2

### Strengths and Weaknesses of Mahatma Gandhi University

#### STRENGTHS

Mahatma Gandhi University (MGU) stands as a beacon of higher education in the region, bolstered by its **strategic location on the Guwahati-Shillong Highway**. This prime positioning not only enhances accessibility for students from diverse geographical backgrounds but also fosters collaboration with industries and institutions located along this vital route. The university's location is instrumental in facilitating regional development and integration, making MGU an attractive choice for prospective students and faculty alike.

Central to MGU's educational framework is its **strong technological support system**. The university has invested significantly in state-of-the-art infrastructure, ensuring that both faculty and students have access to advanced digital tools and resources. This commitment to technology integration enhances the learning experience, promotes interactive teaching methods, and prepares students for a competitive workforce that increasingly relies on digital proficiency.

Mahatma Gandhi University has established **innovative industry partnerships** that bridge the gap between academia and the corporate world. These collaborations are not merely transactional but are designed to provide students with experiential learning opportunities, internships, and placements. By aligning curriculum design with industry needs, MGU ensures that its graduates are well-equipped with the skills and knowledge that employers demand, thus enhancing their employability prospects.

The university's **capacity for flexible, skill-focused program design** further distinguishes it as a progressive educational institution. MGU recognizes the necessity of adapting educational offerings to meet the evolving demands of the job market and societal needs. This flexibility allows for the development of interdisciplinary programs that prepare students for a variety of career paths, ultimately contributing to a more versatile workforce.

At the heart of MGU's ethos is its **commitment to fostering innovation**. The university encourages a culture of creativity and critical thinking, empowering students and faculty to explore new ideas and approaches in their respective fields. This focus on innovation not only

enhances academic inquiry but also promotes research initiatives that address real-world challenges, positioning MGU as a thought leader in higher education.

Moreover, students at MGU benefit from a robust support system that provides **guidance, encouragement, and resources** to cultivate responsible and prudent citizenship. This holistic approach to education emphasizes character development alongside academic achievement, instilling values of integrity, social responsibility, and community engagement in students.

Finally, MGU boasts a **dynamic placement cell** that plays a pivotal role in facilitating employment opportunities for students. This proactive cell engages with industry leaders, organizes job fairs, and provides career counseling services, ensuring that students are well-prepared for the job market. The effectiveness of the placement cell enhances the university's reputation and serves as a testament to its commitment to student success.

## WEAKNESSES

Despite its many strengths, Mahatma Gandhi University faces several challenges that necessitate careful consideration. A significant concern is the **lack of government concessions or support**, which limits financial resources available for development and expansion. The absence of such support constrains the university's ability to implement new initiatives and enhance its infrastructure, ultimately affecting the quality of education provided.

Additionally, the **availability of qualified human resources** poses a challenge for MGU. Recruitment and retention of skilled faculty and staff are critical to maintaining high academic standards and delivering quality education. The university must implement strategies to attract and retain talent, ensuring that students receive the best possible educational experience.

Another pressing issue is the **high cost of construction** associated with expanding facilities and improving infrastructure. As the demand for educational services grows, MGU must balance the need for modern facilities with the financial implications of such expansions. Effective planning and resource allocation will be essential to address this concern while ensuring that the university remains competitive.

The university also grapples with **law and order challenges in certain areas**, which can impact the safety and well-being of students and staff. Ensuring a secure learning environment

REGISTRAR  
MAHATMA GANDHI UNIVERSITY  
MEGHALAYA- 792101

is paramount, and MGU must collaborate with local authorities and implement comprehensive safety protocols to mitigate these challenges.

Furthermore, there is a pressing need to **increase human resources**, including both teaching and non-teaching staff. As the student population grows, it is crucial to ensure that adequate support systems are in place to maintain educational quality and provide necessary services. MGU must prioritize strategic hiring practices to meet these demands.

Lastly, **inadequate hostel accommodation for students** remains a significant concern. The lack of sufficient housing options can deter prospective students and impact the overall student experience. MGU must explore partnerships and funding opportunities to develop additional housing solutions that cater to the needs of its diverse student body.

In conclusion, while Mahatma Gandhi University is well-positioned to excel in the realm of higher education, it must address these weaknesses through strategic planning and collaboration. By leveraging its strengths and mitigating its challenges, MGU can continue to thrive as a leading institution dedicated to academic excellence and societal contribution.
